3. Scope of Work:

Raipur is the largest urban settlements in Chhattisgarh State. As per census 2011, Raipur urban agglomeration has population approx 11.22 lakh. The city is a fast developing commercial and industrial center in India. To serve it better Raipur Municipal Corporation has divided its area in 8 zones and 70 wards. About 3000 employees of 16 departments along with their sections are serving Raipur.

Raipur Municipal Corporation has various projects (Civil, Finances, PWD, Health etc) across the city and wishes to use the latest technology solutions in those projects. To fulfill its aim, Raipur Municipal Corporation seeks to have professional agency that will provide IT solutions and consultants in need basis to implement and support IT projects.

a. Responsibility of Agency:

The responsibility of agency is to deploy IT solutions as per corporation need Prepare Solution documents & Presentations and to provide consultants accordingly. The Agency will have to design and develop IT solutions while considering the use of latest Technology, Security Measure and Feasibility etc. The implementation agency shall also provide proficient resources having expertise in hands on training, project coordination, documentation, data collection and project implementation as a whole.

The design and development of IT solutions should have flexibility to incorporate the ongoing and future requirements. URL of Applications should be very simple and user friendly in such a way that layman can also use it and achieve the purpose of applications.

The Agency should have experience in Implementations and support of IT projects in Government Department. The agency should have experience consultants (IT Developers, Operators, MIS expert etc) in pool that will deploy in those IT projects. The agency will provide Project Manager as a single point of contact person who would be directly aligned with the senior management of RMC and Commissioner.

Apart from providing the desired manpower for the project, it shall be the

responsibility of the provider to entirely execute the project following the complete Software Development Life Cycle. The provider shall not be confined to providing the manpower alone.

c. Web Hosting Services:

RMC has a well-equipped data center having all the networking and hardware related infrastructure to host the different projects, however on certain instances, RMC might require additional services from the vendors to host their applications over web for a short duration of time. In this regards, the IT service provider needs to provide the web hosting services required to host the different websites, web portals or applications as a part of the IT project initiatives of Raipur Municipal Corporation.

The implementing agency needs to quote the price of the required hosting service in the Annexure 2 – Financial

4. Evaluation and comparison of proposals:

A two-stage procedure will be utilized in evaluating the proposals, with evaluation of the technical proposal being completed prior to any finance/budget proposal being opened and compared. The finance/budget proposal of the proposals will be opened only for submissions that passed the minimum technical score of 50% of the obtainable score points in the evaluation of the technical proposals. The technical proposal is evaluated on the basis of its responsiveness to the Terms of Reference (TOR).

a. Criteria for evaluation:

This evaluation process consists of 2 stages. Only those companies, that have passed the first technical evaluation stage, will be considered for financial evaluation. During the first stage participants' technical proposals are examined against the following evaluation criteria:

S. No	Details	Criteria	Max Marks
Company Credentials (A = 10 Marks)			
1.	Annual turnover in last 3 years (Turnover in Rs Lakhs)	> 100 Lakhs: 5 marks 70-100 Lakhs: 3 marks 50-70 Lakhs: 2 marks < 50 Lakhs: 0 marks	5
2.	Registered as per the land of Laws (PF/ESI)	5 Marks if registered	5
Similar Experiences (B = 30 Marks)			
1.	Bidder must have experience of Mobile Application Development for any government agency within last 3 years	<= 5 Apps Developed : 5 Marks > 5 Apps Developed : 10 Marks	10
2.	Bidder must have experience of implementation of online/offline Software Development/Hardware installation services for any government/private agency within last 3 years with value of at least 5 Lakhs. (HR staffing work is not eligible)	Govt. Project: 5 Marks Private Project: 2.5 Marks	5
3.	Bidder must have experience of annual maintenance services of software/hardware system for any government/private agency within last 3 years	Govt. Project: 5 Marks Private Project: 3 Marks	5
4	Bidder must have experience of providing experts manpower (IT & ITES) to any government agency (experience of providing only operators etc will not be considered)	5 Marks	5
5	Highest value of Single Govt Department (state/central) project/ Private Agency	Govt Department >= 25 Lakhs: 2.5 marks < 25 Lakhs: 0 marks Private Agency >= 5 Lakhs: 2.5 marks < 5 Lakhs: 0 marks	5
Presentation Bid (C = 30 Marks)			
6.	Presentation including Technical Approach, Methodology, Work plan, Organization & Staffing etc.	30 Marks	30
Total Marks in Technical Evaluation, Tb (A+B+C)			70

Note:

1. Score will be given on the basis of documentary proofs.
2. Please attach the List of your main assignments performed by your company during last 3 years. Please indicate:
 - Subject of assignment
 - Year
 - Customer with contact details (fax, phone, e-mail)

b. Technical Evaluation:

Technical Bid will be out of a maximum of 70 points. Bidders with Technical score of 50% and above will qualify for the evaluation in their financial bids. These scores would be considered for the purpose of QCBS (QUALITY AND COST BASED SELECTION) based evaluation.

Detailed technical evaluation shall be carried out by Technical Evaluation Committee pursuant to conditions in the Expression of Interest document to determine the substantial responsiveness of each Expression of Interest. For this clause, the substantially responsive bid is one that conforms to all the eligibility; terms and condition of the Expression of Interest without any material deviation.

The technical evaluation committee may call the responsive bidders for discussion or presentation to facilitate and assess their understanding of the scope of work and its execution. However, the committee shall have the rights and sole discretion to call / not to call any bidder for any discussion/presentation etc.

c. Financial Evaluation:

The Financial bid of those bidders, who qualify in the technical evaluation, will only be opened. i.e. - The Financial bids of the technically qualified bidders will only be evaluated. The financial scores would be normalized to a score of 30. Such normalized scores would be considered for the purpose of QCBS based evaluation, explained in section below.

The individual bidder's financial scores (Fb) are normalized as per the formula below:

$$F_n = (30 \times F_b / F_{min})$$

Where,

F_n = Normalized financial score for the bidder under consideration

F_b = Financial bid of the bidder under consideration.

F_{min} = Minimum absolute financial quote out of all bidders

d. Final Evaluation:

The Bidder with the highest Composite Score(S) would be awarded the contract.

$$\text{Composite Score (S)} = T_b + F_n$$

5. Award criteria, award of Contract

The procuring entity (RMC) reserves the right to accept or reject any proposal, and to annul the solicitation process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected Organization or any obligation to inform the affected Organization or organizations of the grounds for the organization's action. The award of the contract will be done to the qualified organization whose proposal, after being evaluated is considered to be the most responsive to the needs of the organization and activity concerned.

6. Preparation of Documents

Agencies are required to drop their tenders completely filled in properly arranged manner (With index, proper paging and with flags on important documents). Incomplete, conditional or improper arranged tenders may not be rejected.

The EOI should be submitted in the envelopes stated below:

- ✓ Both the above envelopes to be placed in this envelope. The third large envelope clearly marked “EOI for Engagement of Agency for support tasks of RMC”

7. General Conditions for Agency

1. The financial offer quoted in this bid shall be valid for a period of 120 days from the date of bidding.
2. The technical bid of the tender will be opened at 11.00 A.M. on 11/05/2020. Tenders not submitted in the above manner shall be subject to rejection. The financial bid of the bidders, who had qualified the technical bid, shall be opened on same day or on next day as per the decision of Tender Committee.
3. The contract shall be binding upon for a term of three years. After Successful completion of three years & Satisfactory performance of agency, the contract may be extended for further term of two years with increment of 10 % monthly charges per year.
4. The agency will deploy required consultants at RMC's offices- Head and Zone Offices (In Raipur City Only) or its own Development center. In both the case, the agency will get prior approval from RMC.
5. The agency shall follow the schedules as per the Government Calendar followed by RMC.
6. In case of deployment of Consultants at its offices, RMC will provide the necessary infrastructure for work execution (i.e. Seating Space, Desktop, Printers, Electricity, Internet, Telephone, Utilities, and Stationeries etc).
7. RMC will provide Licensed Software or any 3rd party software as per need basis to agency.
8. Before assigning any replacement member of the consultant to the provision of the Services, Agency shall provide RMC with the resume of the proposed candidate and shall provide an opportunity to interview the candidate if required.
9. The agency has to provide replacement of consultants that is having same or better credential consultant on the same parameters defined in this EOI. The agency has to ensure at 30 days of overlap period of such replacements.
10. The agency has to complete the job assigned within the agreed time and if the job is not completed within the stipulated time, a penalty @0.5% of the cost of the respective consultant deployed for that job every week will be imposed on the agency. In case of absence of consultants from the duty, penalty will be levied on pro-data basis and same will be deducted from agency's bills.

EOI for Engagement of Agency for Support tasks of RMC

11. The successful agency will treat as confidential all data and information about Client, obtained in the execution of his responsibilities, in strict confidence and will not reveal such information to any other party without the prior written approval of Department.
12. The Agency will have to ensure that their written queries for this document should reach the RMC office no later than 5 days before the date of opening of Tender.
13. RMC may terminate the EOI process at any time and without assigning any reason. RMC makes no commitments, express or implied, that this process will result in a business transaction with anyone.
14. All the pages of the proposal must be sequentially numbered and must contain the list of contents with page numbers, sealed and signed by authorized signatory.
15. Bids received after the due date and the specified time (including the extended period if any) for any reason whatsoever, shall not be entertained and shall be returned unopened.
16. The agency shall submit along with bid document copies of Audited Balance Sheets and Profit & Loss Account along with details of the project under taken.
17. Offers through Telegraph/ Fax/Emails or open offers etc. received shall be summarily rejected.
18. Any conditions of the bidder sent along with proposal if any, shall not be binding upon RMC.
19. It is not binding on RMC to accept the lowest of the bidding. RMC shall give preference to the bid that has an overall optimum solution, both technical & financial. Owing to this condition, a QCBS format for evaluation has been used in this tender.
20. The payment to selected agency shall be made against Quarterly running bills by the RMC within 30 days upon submission of progress reports show details of work executed during claim period.
21. TDS as applicable on date will be deducted from agency's actual bill submitted for payment.
22. In case of any dispute between the parties, the arbitration shall be at Raipur.

Executive Engineer,
Municipal Corporation Raipur
Raipur, CG
