## 2. Introduction and Background

### 2.1 About Raipur

- a. Raipur is the largest urban centre in Chhattisgarh with a population of 10,27,264 (as per census 2011). Raipur city is the administrative headquarters of the Raipur district. RMC is the urban local body for the Raipur city and is governed by the provisions of the Chhattisgarh Municipalities Act, 2003.
- b. Raipur is an industrial hub, offering income generating opportunities and activities to a larger population. Industrialisation has led to the establishment of allied industries as well, and the service sector has also flourished. City's economy is driven by trade and commerce, services, banking, real estate, industries and mining activities in the peripheral regions. Raipur is a major commercial hub of Central India and it serves adjacent states like Madhya Pradesh, Maharashtra and Odisha etc. The city has many prominent institutions such as NIT and AIIMS with a literacy of 75%.

### 2.2 About the Project

- a. Raipur Municipal Corporation is looking for deploying technological solution for effective monitoring of garbage collection as taking place in Raipur Nagar Nigam in an automated, touch less manner presenting data in real-time on an online administrative dashboard. For this purpose, it wants to explore various tools and technologies on a 6-month pilot basis without cost to identify the best solution for rollout across Raipur Municipal Corporation. **The selected agency/agencies shall not be made any payment for implementing this Project and the agency is required to fund the entire Project through its own sources.**
- b. Advance technology is preferred like Internet of things for user friendly solution. Daily Reports should include; attendance system of garbage collector, route mapping of garbage collector movement, garbage collection activities with particular households for multiple shifts.
- c. Sufficient numbers of households or entire route of multiple tipper van will be taken in account in pilot project of effective monitoring of door to door garbage collection.
- d. The technological solution should preferably be based on the Internet of Things (IoT) platform for effective door-to-door garbage collection systems providing both web and mobile user interface.
- e. Following points are as follows for system integration-
  - Sensor-based technology should be used preferably for this project with centralised dashboard system for real-time monitoring.
  - Mobile application for the garbage collector communicating with the sensor device in an automated manner.
  - Same application should be capable of integrating with the existing GPS tracking device on the garbage collection tipper van.
  - Hardware & detection system should be automated touch less & robust and completely in active condition for optimum time.
  - Sensor devices range should be configurable from few meters range to higher ranges as per optimum requirement.
  - Cloud hosting for solution with end-to-end encryption for data safety.

Expression of Interest (Eol) For selection of agency For “Effective monitoring of door to door garbage collection System in Raipur, Chhattisgarh”.

- Solution should be robust and scalable to adopt other garbage collection activities i.e. community bins etc.
  - **All activities are charge less; SWM-Raipur & RMC is not responsible for any payment for pilot project.**
- f. The results of pilot will be used by RMC to recommend the best approach and solution for Raipur Municipal Corporation for effective monitoring of garbage collection as taking place in Raipur Nagar Nigam

### **2.3 Purpose of Eol Process**

- a. The stage of Eol is undertaken as an industry consultation to assess the technical feasibility and financial viability of monitoring of door to door garbage collection system in Raipur, Chhattisgarh on digital platform through a pilot project.
- b. Accordingly, the information regarding the pilot project made in this Eol are indicative in nature and purely informative, and non-binding.
- c. RMC reserves the absolute right to cancel, change, alter or replace the Eol or the pilot project Stage and its Bidding Process and/or the whole Project itself, without any reason thereof or providing any prior notice to any person including the Applicants or Bidders, as the case may be.
